CARACTERÍSTICAS

- Encimera fabricada en acero inoxidable AISI 3054 18/10 con frontal de 65mm, reforzada con omegas y fijadas con masilla anti-vibratoria anti sonora.
- Robustas, fáciles de montar y perfectamente combinables con cualquiera de los productos Distform.
- Frontal de 65mm en punto redondo.

FEATURES

- Central worktop made in stainless steel AISI 304 18/10 with 65mm front edge, reinforced with omega supports and fixed with anti-vibration sound-proof mastic.
- Heavy duty, easy to assemble and fully compatible with all Distform products.

- TODAS LAS LONGITUDES ESTAN EXPRESADAS EN mm.
